PRESENTATION

BACKGROUND INFORMATION:

Bear Lake State Park was one of the five parks that increased fees for non-resident day use, (MVEF), and would like to increase fees for their very popular group camp facilities in order to stay competitive with the Utah State Park market. The three regions got together to survey all statewide group camp facilities to assess if other facilities also could benefit from a fee adjustment. Our fees are addressed in IDAPA and approved by the Board and the Legislature. Group use fees, as listed under 26.01.20.254, are not capped and are listed under a "Varies" category. Please see the attached, proposed fees spreadsheet.
